On to the next year...

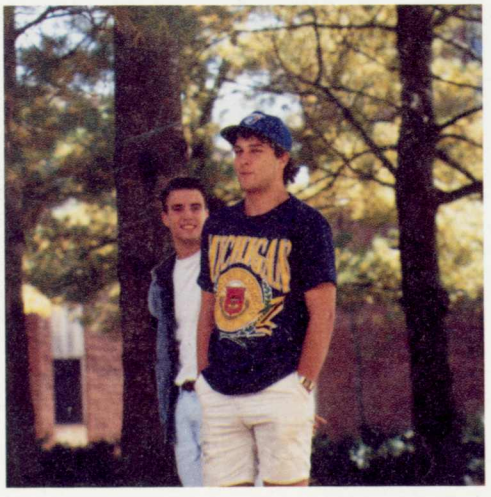

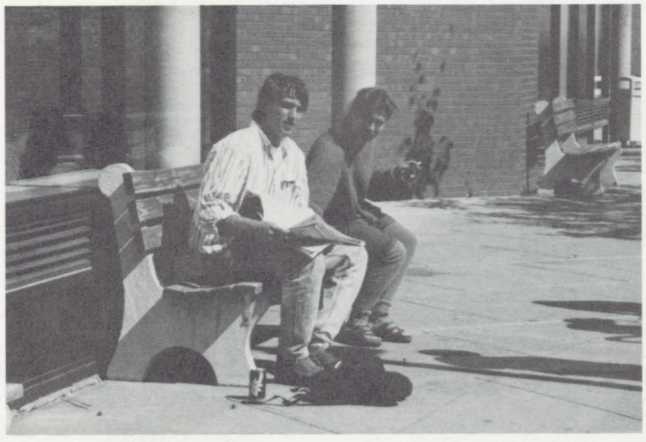

1992 Color Candids

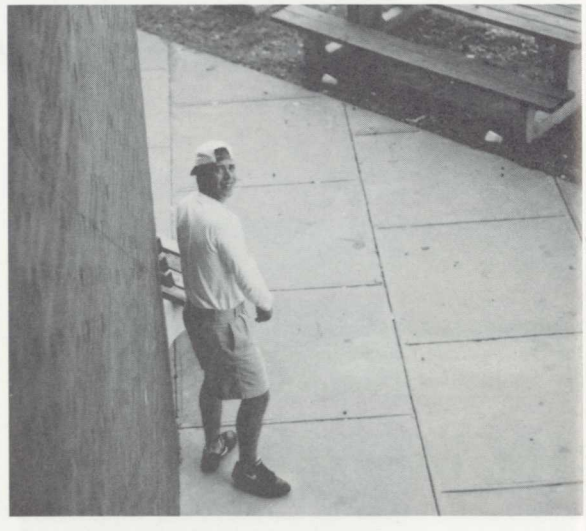

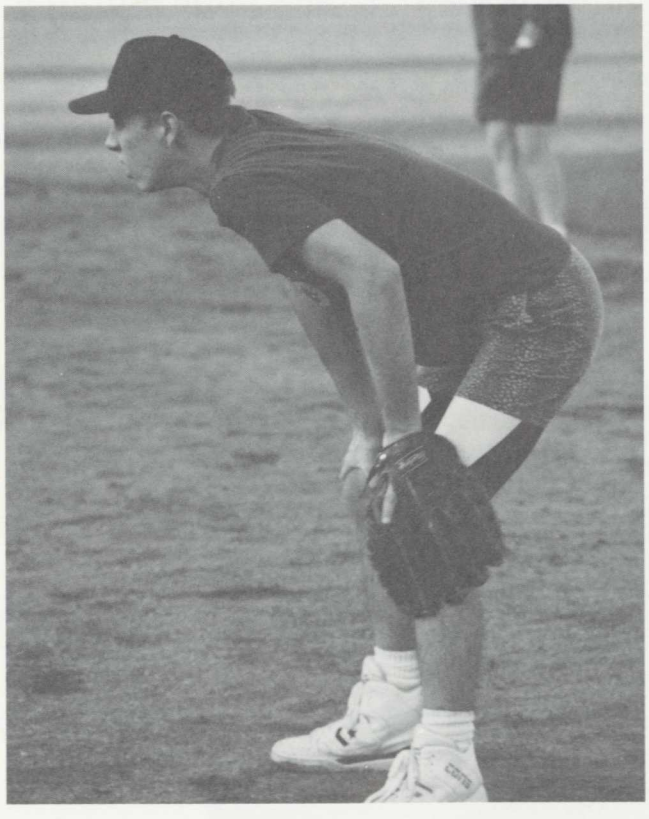

Just lounging around...

A smile can say more than a thousand words.

Did Spider Man take this wall walking picture?

The pros should be spotting this star L.S.C. athelete.

Leisure time on a rare sunny day.

A new generation of the three musketeers!

"The facts ma'am, just the facts."

If you climb to the top of the trees you can touch the clouds from here!

One cool guy with a pair of hot shades can go a long way.

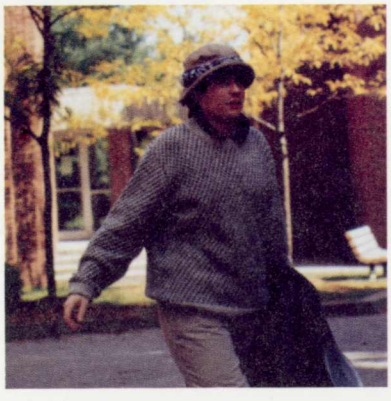

Does she know I am standing here? Staring at her? Smiling?

Lovely Lyndon State College on a clear sunny day.

A Day in the life of .....

Just one more load.

Please don't take my picture. Ok I guess I'll grin and bear it.

You must be kidding!

Once upon a time.....

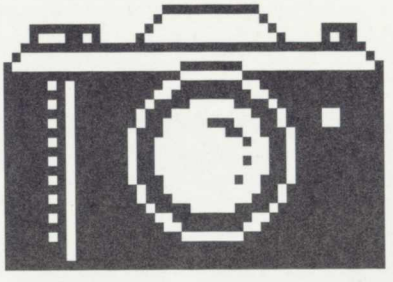

My Favorite class sleep 101.

Dusk ends another day at Lyndon State.

Man that sun is bright!!!

.....Lyndon State College

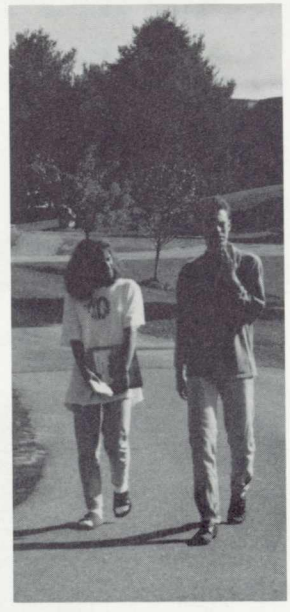

I wonder what they're serving for lunch? I hope its not chow mein noodles again.

The line forms here.

Here a kick, There a kick,

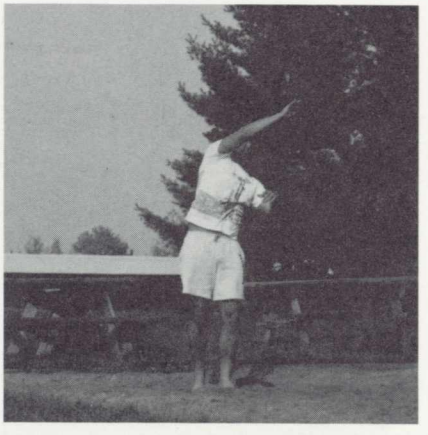

Everywhere a kick kick.

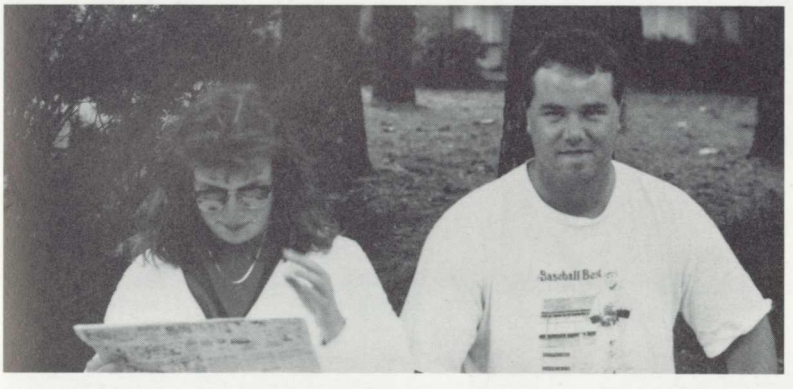

Gotta run, Again.

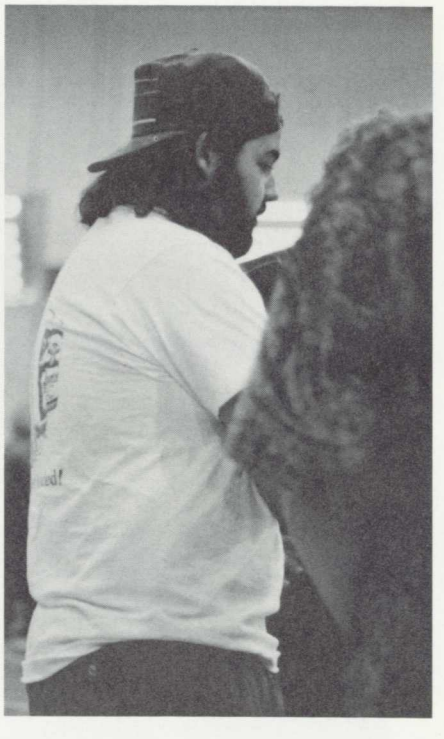

Another perfect serve.

It's cartoon time.

What's going on?

I can't believe it.

Campus Style

Fall Foliage

Ready, set, go!

Pausing for a pose

Setting it for the spike.

Things that make you go huummmmmmm.....

RESCUE SQUAD

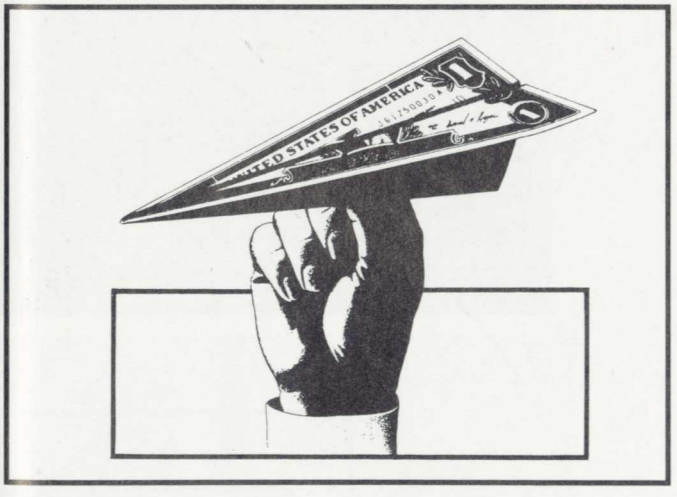

The Lyndon State College Rescue Squad has come a long way since it began in September of 1971. Four LSC students wanted to start a rescue squad and submitted their request to the president of the college. The LSC administration turned down the request.

It wasn't until an LSC senior committed suicide that the four students formed the first Lyndon State Rescue Squad, known as CRES (Campus Rescue Emergency Squad). The squad functioned from its headquarters, first floor Whitelaw and moved in 1973 to first floor Poland. They used the college mail van to transport their patients.

In 1977, after receiving a lot of money from community members, the rescue squad moved to to its present location. In 1978, CRES officially changed their name to the Lyndon State Rescue Squad. It wasn't long after that when they received their first ambulance.

On Thursday, Nov. 21, 1991, Lyndon State College students joined other students from across the country to donate one meal from their meal plan to Oxfam America's Fast for World Hunger. Kappa Delta Phi fraternity and sorority, with cooperation of ARA Food Services, coordinated this year's fast and presented a check for $500 to Oxfam America. This year's participation and contribution more than doubled that of last year.

For these four teachers, this will be their last year of teaching here at Lyndon State College. Some of them have been teaching here for more than some thirty years and for some it seems like they only arrived yesterday. One thing is for sure, they have all added their own little touch to this institution. They have all have turned what were very small majors to something that the school can only brag about now. All the students, as well as the yearbook staff would like to thank all that these teachers have given to us over these past years. We would also like to wish you luck in the future and hope that if you continue graphic designing, teaching english, or playing music, that you keep us in mind.
